My signature below authorizes the Pulaski County Christmas Store and its volunteers to obtain and release verification necessary to establish my eligibility for assistance and to allow other agencies to determine eligibility for their services. The information on this application is correct to the best of my knowledge. False information will automatically disqualify my family from receiving assistance now and in the future. You and your family must be citizens of Pulaski County. The age range for children eligible for services through PCCS is birth through 18 years if in school. Only one application is accepted per household. More than one family in the same house counts as one application. Applications must be submitted in person and reviewed with a volunteer. Child care is not provided at the application sessions. Bikes and electronics will not be provided by PCCS this year. **I understand that if I made an application with Salvation Army and have been accepted for Christmas help from them, I will not be eligible for assistance from PCCS.** (initial: _____)

I acknowledge that I understand this statement.
